Plagiarism Declaration

Plagiarism is an offence where a person (student) presents an assignment or piece of work as their own but which has been copied in whole or part from other sources without permission or due acknowledgement with consideration to In Text Referencing and supporting Bibliography.

Please ensure you have read The Open College plagiarism policy.

Please ensure to clearly reference all information sourced in your work with evidence of in-text referencing and supporting bibliography/reference list.

To ensure that the correct referencing format is applied, you should refer to the referencing guidelines document. Penalties will be applicable to those assessments that do not consider The Open College referencing guidelines.

Declaration,

I declare that I have read and understood the Open College policy on plagiarism and with the exception of recognition to the work of other sources/authors, I confirm that the work I submit for assessment is my own.
